Dear Sir;

PETITION

This is a petition filed pursuant to 37 CFR 1.28(c).

With the transmittal of the Form PTOL-85 on 20.May.2010, the applicant inadvertently and unintentionally failed to indicate a change in the applicant's status from "small entity", to "large entity".

With the transmittal of Form PTOL-85, the applicant had authorized payment of: Issue Fee of \$755, and Publication Fee of \$300.

The proper "large entity" fees which should have been paid were: Issue Fee of \$1510, and Publication Fee of \$300.

The only deficiencies in fees due is the difference in the Issue Fee required between a "large entity" and "small entity", which deficiency amounts to \$ 755.— . Kindly charge the deficient amount to the undersigned's Deposit Account No. 14-1263

Kindly also amend the records of the USPTO to indicate that "large entity" fees are now due regarding maintenance fees for this patent.

Favorable consideration of this Petition is respectfully requested.

#### CONDITIONAL AUTHORIZATION FOR FEES

Should any further fee be required by the Commissioner in order to permit the timely entry of this paper, including any extension of time fees, the Commissioner is authorized to charge any such fee to Deposit Account No. 14-1263.

Respectfully Submitted;

Andrew N. Parfomak, Esq.
